

EMSI Safety Commitment

“People First, Safety Always”

I WILL DO MY JOB SAFELY.

No job is so urgent or important that it cannot be done safely.

I WILL CONTRIBUTE TO IMPROVE SAFETY.

I will work with my fellow employees, management and client representatives to share ideas and develop best practices – always moving forward together.

I WILL LOOK OUT FOR MYSELF AND MY FELLOW EMPLOYEES.

If I take care of myself and others, business will take care of itself.

I WILL FOCUS ON PREVENTION.

Through the implementation of the EMSI Safety and Health Program, I can prevent incidents and stop people from getting hurt.

I WILL PLAN MY WORK FOR SAFE EXECUTION.

I will use all safety tools and resources at my disposal to plan my work safely.

I WILL ACT WHEN SOMETHING IS UNSAFE.

Having been given the authority to do so, I will intervene, correct, speak up or ask questions about any safety or health issue.

I WILL BELIEVE IN SAFETY, ALL THE TIME.

To be truly effective, safety must be practiced on-the-job, off-the-job and everywhere in-between.

*As an employee, manager or visitor you are demonstrating your personal commitment to EMSI's Health, Safety and Environmental program. Thank you for your support and your shared belief that people are our most valuable asset.
